No financial commercial support was received for this educational activity.

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Society for Hematopathology. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team. Professions in scope for this activity are listed below. Amedco Joint Accreditation Provider Number: 4008163.

Physicians

Amedco LLC designates this live activity for a maximum of 23.75 AMA PRA Category 1 *Credits*[™] for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Objectives - After Attending This Program You Should Be Able To

1. Enhance Diagnostic Accuracy: Improve the ability to accurately diagnose hematologic malignancies in pediatric and adolescent/young adults (P&AYA) through the integration of morphologic, immunophenotypic, cytogenetic, and molecular data.
2. Stay Current with Advances: Understand and apply recent advancements in P&AYA hematopathology, including updates in the recent WHO and ICC classifications of hematopoietic neoplasms and novel biomarkers for prognostication and therapy selection.
3. Improve Interdisciplinary Collaboration: Strengthen communication and collaboration between pathologists, hematologists, and oncologists to optimize patient care and treatment planning in P&AYA hematologic diseases.

Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1-6.2, 6.5)

All individuals in a position to control the content of CE are listed below.
